

**LIST OF (GRANTS-IN-AID) GIA PROJECTS**  
**CY 2012**

<b>No.</b>	<b>Project Title</b>	<b>Project Description</b>	<b>Name of Beneficiary/ Address</b>	<b>Total Project Cost (PhP) '000</b>	<b>Status (as of 15 Nov 2012)</b>
1	Upgrading the Manufacturing Facility for Production of School Furnitures: Association of Differently-abled Person (ADAP) Multipurpose Cooperative	Provision of additional equipment to increase the output or products produced and to enhance the skills of differently-abled persons	Association of Differently-abled Persons of Brgy. Indangan/ Brgy. Indangan, Buhangin, Davao City, District II	279,325	Operational.
2	Strawberry Production Technology Demonstration and Transfer: Baganihan Agri-Eco Ventures Cooperative (Phase II)	Acquisition of hybrids and highly productive strawberry varieties	Baganihan Agri-Eco Ventures Cooperative/ Marilog, Davao City, District III	235,000	Successfully implemented.
3	Design and Fabrication of Additional S&T Exhibits to Enhance Sustainability of Mindanao Science Centrum Program for S&T Promotion of Scientific Literacy	Support to the fabrication of new exhibits for the Science Centrum	RECORD Foundation Inc./ Bo. Obrero, Davao City, District I	568,152	For reconsideration.
4	Facilitating Establishment and Commercialization of Community-Based Aqua Processing Technology and Facility for Women	Enhancement of the capacities of women groups in improving the fish processing skills to be able to become active participants in the aquaculture industry	SDCAsia/ Brgy. Kaganguhan, Panabo City, District II	286,500	Conducted RTEC visit last May 11, 2012. Awaiting for ORs from the proponent.

5	Pilot Testing of Rice Husk Gasifier Stove in the Production of Coconut Sugar	Provision of additional equipment to reduce the cost of production in cooking and improve the quality of the company's product	Kababayen-an Alang sa Teknolohiya nga Haum sa Kinaiyahan ug Kauswagan (KATAKUS), Inc./ Betty More/ Brgy. Katipunan, Carmen, Davao del Norte, District II	163,000	For second release. The equipment is not yet delivered. For RTEC inspection.
6	Acquisition of Information Communication Technology (ICT) Equipment for the Enhancement of Services of FITS Davao del Norte	Enhancement of service facilities that could provide appropriate information, education, communication, materials, sustainable technologies, timeliness of information and use of information technology for fast access and delivery of services	PAGRO-FITS Center/ Dominador A. Encarnacion/ PAGRO, Government Center, Mankilam, Tagum City, Davao del Norte/ (084) 370-7295, District I	160,000	Check ready for release.
7	Establishment of Salt Fertilizer Production Project	A venture to contribute to the province's goal of providing the salt needs of Davao Oriental by 2012	North Davao Oriental Planters Association, Inc./ Cateel, Davao Oriental, District I	158,900	Started implementation. Equipment already delivered to the cooperator.
8	Development of the Salt Industry in Davao Oriental's 2nd District	The project aims to establish one (1) pilot salt production project in the 2nd Congressional District at Davao Oriental	Kalumonon Development Center, Inc./ Batobato, San Isidro, Davao Oriental, District II	100,000	Pending. Proponent no longer interested with the solar drying method. To explore other methods of producing salt.
9	Upgrading Fry Quality of "Aloy" Tilapia Hatchery	Provision of supplies and materials to enhance the production of high value marine fishes in the locality through captured fish culture technology	Aloy Tilapia and Hatchery Farm/ Governor Generoso, Davao Oriental, District II	89,495	Successfully implemented. The cooperator already gave free fingerlings to 2 fisherfolks in the community. For liquidation.
10	Sinamay Production Project	Acquiring appropriate technology in the establishment of abaca weaving production project	Pyaggaguwan Learning Center (PLC)/ Mrs. Rosemarie Margarito Chairperson/ Caraga, Davao Oriental, District I	25,000	Acquired appropriate technology (handloom) in the establishment of abaca weaving production project.

11	Perimeter Fencing of Automatic Rain Gauges (ARGs) to be Installed in Davao Oriental	Construction of a perimeter fence for ARG in Compostela Valley for measuring the amount of rain in the said area over a set amount of time.	Communities in Davao Oriental Province	28,000	For purchase request of the materials needed in the construction of perimeter fence
12	Commercialization of Charmix All Purpose Cleaner	Provision of Packaging and Labelling assistance and raw materials for effective commercialization of the product.	W. N. Chemical Laboratory/ Kapt. F. Toroba Street, Poblacion Cateel, Davao Oriental, District I	50,000	Released July 13, 2012.
13	Piloting of Forced Draft Dryer Use for Herbal Teas and Supplement Preparations	Provision of supplies and materials to assess the actual performance of the dryer design developed by the proponent by piloting its use in the dehydration of raw materials for the manufacture of herbal preparations	Engr. Angelito T. de Asis/ De Asis Machine Design and Fabrication/ Digos City, Davao del Sur, District I	150,000	Awaiting for the justification letter from the proponent indicating no AFR for 2011.
14	Technology Upgrading of Fresh Miki Production and Establishment of Meat Processing Equipment	Provision of additional equipment to upgrade the current fresh miki noodles production of the cooperative	Binasbas Multi-Purpose Cooperative/ Brgy. Binasbas, Laak, Compostela Valley Province, District I	304,000	Released 1st tranche on May 30, 2012. On-going procurement of equipment. The proponent still cannot purchase equipment since there is still no proper lay-out in their plant.
15	Compostela Valley Jewelry Industry Training and Consultancy Program with PUM Netherlands	Promoting the transfer of technology including designing and manufacturing to the jewelry makers in Compostela Valley Province	Jewelry makers and Jewelry association/ cooperative in Compostela Valley	41,000	Conducted jewelry training and site visits to associations/ cooperatives March 17 - April 3.

### LIST OF SETUP PROJECTS

No.	Project Title	Project Description	Name of Beneficiary/ Address	Total Project Cost (PhP) '000	Status (as of 15 Nov 2012)
-----	---------------	---------------------	------------------------------	-------------------------------	----------------------------

1	Upgrading of Manufacturing Process of Gourmet Tuyo Products of Reymic Enterprises	Provision of additional equipment to improve shelf-life of the product, quality and palatability of the product and speed up the process	Reymic Enterprises, Catalunan Grande, Davao City, District I	167,460	On-going. Project Funds released July 19, 2012
2	Upgrading of Vinegar Production Facilities	Provision of additional equipment to improve shelf-life of the product, quality and palatability of the product and speed up the process	Apo Vinegar/ #25 San Miguel Village, Matina, Davao City, District I	586,000	On-going. Project Funds released July 14, 2012
3	Upgrading of Machine Shop Services	Provision of additional equipment to improve quality of workmanship and service delivery through prevention of leakage and prevention of mixing of oil with water	MFC Machine Shop/ 106 Duhaylunsod Bldg., R. Castillo St., Agdao, Davao City, District I	990,000	On-going. Equipment already acquired.
4	Capability Upgrading of Fabrication Services of Sidewall Engineering	Provision of equipment that would enhance the quality and products and achieve design of equipment that is at par with the commercially available and imported products	SideWall Eng'g, Bunawan, Davao City, District II	1,950,000	Approved. Project funds to be released to beneficiary.
5	Establishment of Cold Chain Facility to Prolong Shelf Life of Fresh Frozen Durian and Reduce Spoilage	Provision of additional equipment to protect the integrity of fresh durian during freezing process and to prolong the shelf-life and quality of fresh frozen durian from harvest until it reaches the final and intended consumer	D' Farmer's Market Bajada Davao City, District II	998,000	Approved. Project Funds released Nov 7, 2012.
6	Accelerated Fermentation of Pineapple Wines and Vinegar and Quality Improvement of Fruit Juices and Fruit Jams	Provision of equipment to upgrade the fermentation of pineapple wine and vinegar and to improved production processes of pineapple jam. Thus, resulting to a better quality of finished product.	DAVCO Compound, Purok 5, Brgy. Cawayan, Calinan District, Davao City, District III	423,869	Approved. For release of funds.
7	Facilities Expansion for the Production of Calamansi Concentrate of Tagum Golden Foods	Provision of additional equipment to convert the manual squeezing operations into automated operations as well as improve productivity and quality	Tagum Golden Foods/ Magdum, Tagum City, Davao del Norte, Distric I	222,400	Approved. Equipment on board bound to Davao.

8	Ice Cream Production	Provision of additional equipment to contribute to the supply of ice cream in Tagum City and its adjacent municipalities as well as improve its production	Magvilla Ice Cream Delight/ Basco Drive, Don Gonzales Avenue, Tagum City, Davao del Norte. District I	470,000	On-going procurement of equipment.
9	Technology Upgrading in Natural Feeds Processing	Provision of additional equipment to upgrade technology in natural feeds processing plant project	Aces Polytechnic College/ TADECO Road, Brgy, San Francisco, Panabo City, Davao del Norte, District II	960,000	Approved. For release of funds.
10	Technology Upgrading of Coco Sugar Processing	Provision of equipment to mechanize the company's operation's and improve the production and quality standards	Healthy Sweets/ Bgy. Katipunan, Panabo City, Davao del Norte, District II	994,600	Approved. Project Funds Released Oct. 12, 2012
11	Upgrading of Machining and Engineering Services	Provision of additional equipment to achieve high precision grinding and machining technology	JJ JS Machine Shop, Panabo City, Davao del Norte, District II	400,000	Approved. For release of funds.
12	Technology Upgrading of Candle Making	Provision of equipment to upgrade technology on candle making.	Jabez Marketing/ P-8C Lumangtad Compound, Curvada, Magdum, Tagum City, Davao del Norte, District I	227,360	Approved. For release of funds.
13	Technology Upgrading of Peanut Butter Production	Provision of additional equipment to upgrade and fasten production processes on peanut butter.	Jersey's Peanut Butter Spread/ Block 10, Dreamville Subdivision, Mangga, Visayan Village, Tagum City, Davao del Norte, District I	195,000	Approved. For release of funds.
14	Upgrading of Banana Chips Production Facilities of Safepac Corporation	Provision of additional equipment to improve product quality and increase production capacity	Safepac Corporation, District I, Davao del Sur	540,000	Check released July 30, 2012. On-going procurement of equipment.
15	Upgrading of Facilities for General Engineering Works of Larikas General Engineering Works	Provision of additional equipment to improve the efficiency of the production process and to provide better services and quality machining and fabrication works at competitive prices	Quezon Avenue, Poblacion, Zone 1, Digos City, District I	700,000	Released 2nd tranche Nov 6, 2012.

16	Upgrading of Facilities for Wood-based Production of Woodworks Kiln Dried Products of Woodworks Kiln Dried Products	Provision of additional equipment to provide high quality wood products in the market and to diversify and to develop new products	Woodworks Kiln Dried Products/ Estrada 5th St., Digos City, District I	715,000	2nd tranche amounting to P 55,225 was released on November 21, 2012.
17	Upgrading of Facilities for Goat's Milk Procoessing	Provide additional equipment to provide efficient production processes thus, producing quality products to end consumers.	Mindanao Baptist Rural Life Center/ Brgy. Kinuskusan Bansalan/ Mr. Roy C. Alimoane/ District I	457,500	Project funds amounting to P 457,500 was released last November 20, 2012
18	Upgrading of Facilities for Fruit Processing and Barquillos Production	Provision of equipment for the upgrading and improvement of the production process thereby producing better quality products and catering to more customers	Rhoda's Milky Durian/3593 Doña Aurora, 3rd Street Digos City, District I	159,604	Projects Funds amounting to P 159,604 released Nov 14, 2012.
19	Facilities Upgrading for Condiments and Noodle Production	Provision of equipment for to improve production processes and prolong shelf life of fresh noodles and pancit canton from three days to weeks due to vacuum packaging thus, resulting to a more diversified products to domestic market.	Mak James Internation Trading Corporation, National Highway, Astorga, Sta. Cruz, Davao del Sur, District I	860,000	Approved.
20	Modernization of Post-harvest Facilities for Rice	Provision of equipment to increase quality of volume milled rice through mechanization of post-harvest facilities	Mr. Aristotle Abella/ KENKO Rice Mill/ Brgy. Poblacion, Cateel, Davao Oriental, District I	1,800,000	Requested for full release. Sept 28, 2012. Awaiting for NTA from NPMO.
21	Optimizing Marine Resources Utilization through Commercial Production of High Value Marine Fishes in Cages	Provision of supplies and materials to enhance the production of high value marine fishes in the locality through captured fish culture technology	Aloy Farm and Tilapia Hatchery, Governor Generoso, Davao Oriental, District II	307,150	Check released October 2, 2012.
22	Establishment of Kiln Dryer and Ugrading of Wood Processing Equipment	Provision of additional equipment for improvement of product quality and efficient production capacity and produce new range of products specifically kiln dried wood pallet board in order to cater the growing demand of the business.	RMB Furniture, Purok 8, Poblacion Nabunturan, Compostela Valley, District I	2,000,000	Approved. Awaiting for release of funds

23	Technology Upgrading of Melmarie's Bakeshop through Mechanization of Major Bread Making Processes	Provision of equipment to standardize the production processes of Melmarie's Bakeshop through mechanization that would eventually improve its productivity.	Melmaries Bakeshop/ Market Area, National Highway, Kingking, Pantukan, Compostela, Valley Province, District II	685,184	Released Nov 5, 2012.
24	Facilities Upgrading at Crossing Gabi Machine Shop for the Manufacture of Steel Hubs for Motorcycle	Provision of additional equipment the capability to manufacture motorcycle steel hubs and upgrade the capacity to service heavy equipment in the mining industry.	Purok 8, Crossing Gabi, Compostela, Compostela Valley, District I	1,000,000	Approved. Awaiting for additional funds from DBM and irrevocable Pos from proponent before releasing the funds.
25	Upgrading of Metal Working Facilities for Omadle – Jacalan Machine and Welding Shop	Provision of additional equipment to provide quality products and services to its clients and continuously provide employment to its workers.	Omadle-Jacalan Machine and Welding Shop/ Purok 7, Poblacion, Nabunturan, Compostela Valley, District I	2,000,000	Approved. Awaiting for ASA, NTA and MOI from NPMO.

#### LIST OF PROJECTS WITH OTHER DOST INSTITUTES

No.	Project Title	Project Description	Name of Beneficiary/ Address	Total Project Cost (PhP) '000	Status (as of 15 Nov 2012)
1	RA 7687 Undergraduate Scholarship Program	The scholarship reaches out to poor, talented and deserving students desiring to pursue baccalaureate degrees in science and technology along identified priority areas in selected higher education institutions in the country.	DOST Regional Office XI Dumanlas-Friendship Rds Bajada, Davao City, District I	294.25	On going/ Continuing
2	Strengthening the Testing and Analytical Capabilities of the Regional Laboratories to Support the Competitiveness of Local Industries (STARLABS)	To strengthen the capacity and capability of DOST RSTLs in delivering relevant, timely, cost-effective and accurate analytical and testing services to address the testing needs of the MSMEs.	DOST RSTL- Davao, Dumanlas Friendship Roads, Bajada, Davao City, District I	2155.55 (PCIEERD)	On going/ Continuing
3	Strengthening of DOST Regional Metrology Laboratory Services	Upgrading facilities and expand scope of services of the DOST Metrology Laboratories thereby sustaining the delivery of relevant, timely and quality services to priority industries.	DOST RSTL- Davao, Dumanlas Friendship Roads, Bajada, Davao City, District I	1204.096 (DOST-SPU)	On going/ Continuing

4	Strengthening of Interregional S&T Cluster-based IDEA teams (Phase II) -Capability Building & Mobilization of Cluster-based IDEA teams	To establish a pool of experts in every cluster with demonstrated competence in troubleshooting and performance evaluation of equipment; provide regional offices/ clusters tools and equipment for assessing equipment performance; maintain database of experts, suppliers and fabricators; and for consultation meetings, planning activities and problem solving including performance sharing among members of IDEA team.	DOST RSTL- Davao, Dumanlas Friendship Roads, Bajada, Davao City, District I	65 (PCIEERD)	On going/ Continuing
5	Development of Customized Local Road Vehicle (CLRV) Standards	To modernize the CLRV fleet with focus on the utility vehicle category through the development and implementation of standards on vehicles and parts to ensure an environment-friendly and roadworthy motor vehicle fleet.	DOST RSTL- Davao, Dumanlas Friendship Roads, Bajada, Davao City, District I	147 (PCIEERD)	On going/ Continuing
