

SMALL ENTERPRISE TECHNOLOGY UPGRADING PROGRAM

CY 2017

Project Title	Beneficiary	Location	Brief Description	Project Cost
Davao City				
Upgrading of Prime Jevo Barquillos Production	Prime Jevo Food Products	South Villa, Maa, Davao City	This projects aims to upgrade the production process of the firm through the provision of mechanized and Good Manufacturing Practices (GMP)-compliant equipment that will improve the quality and shelf life of food products.	900,000
Production Upgrading and Product Quality Improvement of Bakery Goods of Brylle's Grocers and Bakeshoppe	Brylle's Grocers and Bakeshoppe	Baguio District, Davao City	The assistance involves the provision of various baking equipment for a more efficient production process resulting to increase in productivity and improved quality of baked products.	800,000
Process and Product Enhancement of Ancient Herbs Food Products	Ancient Herbs Food Products	Toril, Davao City	The project aims to improve the quality of food supplement through provision of blister packaging machine for increased product shelf life.	1,000,000
Upgrading of Calamansi Processing of Soyuz Foods	Soyuz Foods International, Inc.	Catigan, Toril, Davao City	The objective of the project is to provide an upgraded calamansi processing facility to meet the increasing domestic and export demands for calamansi-derived products.	3,000,000
Productivity Enhancement of East L.A. Cleaning Products	East L.A. Industry, Inc.	Maa, Davao City	The project intends to provide better production equipment that will increase productivity and meet the increasing market demand of cleaning products.	2,000,000
Technology Advancement of Arm Arts Garments	Arm Arts Garments	MacArthur Highway, Bangkal, Davao City	The project entails the provision of an embroidery machine that would increase productivity, enhance quality of embroidery output and cater to a growing clientele.	1,200,000
Upgrading of Papat's Processed Meat Products	Papat's Food Products	Bo. Pampang, Davao City	The upgrading involves the provision of efficient and GMP-compliant equipment that would increase the firm's productivity and improve the quality of their processed meat.	859,402
Enhancement of the Machine Parts Fabrication of Green Tech	Green Tech Corp	Panacan, Davao City	This project aims to improve the machining capability of the enterprise thru the acquisition of upgraded fabrication equipment.	1,500,000
SUBTOTAL-DC				11,259,402
Compostela Valley				
Technology Upgrading of Juice Production of A&Y Fruit Juice Maker	A&Y Fruit Juice Maker	Purok 2, Poblacion, Compostela, Compostela Valley Province	The project entails technical assistance and support through the acquisition of equipment such as juice filling and sealing machine and mixer, trainings and consultancy services . The objectives of the project are: 1) to upgrade the firm's capacity and productivity; 2) to improve the quality of product's packaging ; 3) to increase sales and 4) to generate employment.	1,400,000.00

Project Title	Beneficiary	Location	Brief Description	Project Cost
Technology Upgrading of Mechanization of Major Bread Making Processes of Randy's Bakeshop	Randy's Bakeshop	Poblacion, Monkayo, Compostela Valley Province	The project entails technical assistance and support through the acquisition of gas type deck oven, spiral mixer, dough roller, trainings (GMP) and consultancy services (Energy Audit, Food Safety, MPEX) . The objectives of the project are: 1) to upgrade the firm's capacity and productivity; 2) to improve the quality of bread products ; 3) to increase sales and 4) to generate employment.	400,000
Capability Upgrading of the Rice Primary Processing Facility of Saavedra Rice Mill	Saavedra Rice Mill	Naboc, Monkayo, Compostela Valley Province	The project entails technical assistance and support through the acquisition of equipment such as mist polisher, trainings, and consultancy services (Energy Audit, MPEX) . The objectives of the project are: 1) to improve the firm's productivity; 2) to improve the quality of rice products; and 3) to maximize cost efficiency.	1,400,000.00
Auxilliary Upgrading of Melmarie's Bakeshop through Mechanization of Major Bread Making Processes	Melmarie's Bakeshop	Kingking, Pantukan, Compostela Valley Province	The project entails technical assistance and support through the acquisition of upgraded equipment, trainings (GMP among others) and consultancy services. The objectives of the project are: 1) to upgrade the firm's capacity and productivity; 2) to improve the quality of bread products ; 3) to increase sales and 4) to generate employment.	1,000,000
Technology Upgrading of Jewelry Processing Business	Whislee Silverstone Shoppe	Poblacion, Nabunturan, Compostela Valley Province	The project entails technical support through equipment acquisition:electroplating machine, casting machine, training and consultancy services. The objectives of the project are: 1) to increase sales and income by way of operation efficiency, and 2) improve quality of product.	980,000
Capability Upgrading of the Production Facility of Yekoy Food Products	Yekoy Food Products	Kingking, Pantukan, Compostela Valley Province	The project entails technical assistance and support through the acquisition of equipment such as mixer, freezer, digital thermometer, stainless table for pre-mixing, stainless table for final mixing, airconditioner, AVR that can support the freezer, and hand dryer, GMP training and consultancy services (Energy Audit, Food Safety, MPEX) . The objectives of the project are: 1) to upgrade the firm's capacity and productivity; 2) to improve the quality and shelf life of food products and ; 3) to increase sales.	1,000,000
Auxilliary Upgrading of Crossing Gabi Machine Shop for the Manufacture of Steel Hubs for Motorcycle	Crossing Gabi Machine Shop	Poblacion, Compostela, Compostela Valley Province	The project entails technical assistance and support through the acquisition of equipment such quick change lathe machine, shaper machine, training and consultancy services. The objectives of the project are: 1) to upgrade the firm's capacity and productivity; 2) to improve the quality products and services and; 3) to increase sales.	1,026,016
SUBTOTAL-CV				7,206,016
Davao del Sur				
Technology Upgrading for Banana Chips and Cassava Crunch Production of Double S Banana Chips*	Double S Banana Chips	Bansalan, Davao del Sur	The project entails technical assistance and support through the acquisition of high precision equipment, packaging and labeling design and execution, training and consultancy services (MPEX, Energy Audit and Food Safety).	400,000

Project Title	Beneficiary	Location	Brief Description	Project Cost
Facilities Upgrading for Ricemill Fabrication and Repair Services	Phil-tech Ricemill and Repair	Bansalan, Davao del Sur	The project entails technical assistance and support through the acquisition of high precision equipment, training and consultancy services (MPEX, CPT and Energy Audit).	2,200,000
Technology Enhancement for Fabrication and Repair Services	DP Fabrication and Machineries	Digos City, Davao del Sur	The project entails technical assistance and support through the acquisition of high precision equipment, training and consultancy services (CPT and Energy Audit).	2,000,000
Technology Enhancement for Feeds Processing	Mindanao Baptist Rural Life Center	Bansalan, Davao del Sur	The project entails technical assistance and support through the acquisition of high precision equipment, training and consultancy services (MPEX, CPT and Energy Audit)	1,030,868
Facilities Upgrading for Cacao Tablea Production	ND Foods Processing	Bansalan, Davao del Sur	The project entails technical assistance and support through the acquisition of high precision equipment, packaging and labeling design and execution, training and consultancy services (MPEX, Energy Audit and Food Safety).	300,000
Facilities Upgrading for Organic Fertilizer Production	Greenros Enterprises	Digos City, Davao del Sur	The project entails technical assistance and support through the acquisition of high precision equipment, training and consultancy services.	689,300
SUBTOTAL-DS				6,620,168
Davao Occidental				
Upgrading of Facilities for Cacao and Tablea Production	Silangan Farmers Association Mr. Nestor Luna, Chair	Ticulon, Malita, Davao Occidental	The association is engaged in tablea production from its own cacao farms.	518,113
Upgrading of Facilities for Coconut Sugar Production	Sotomayor Coco Sugar Mr. Conrado Sotomayor, Owner	Basiawan, Sta. Maria, Davao Occidental	The business is engaged in the production of coco sugar and directly sells its product to Lao Integrated Farms, Inc.	518,113
SUBTOTAL-DavOcci				1,036,225
Davao Oriental				
Upgrading of Sieving Technologies for Sand and Gravel	RC Trocio Builders and Construction Supply	Madang, Brgy. Central, Mati City, Davao Oriental	The project entails the provision of package of assistance for improved productivity and product quality for production of construction materials to include equipment (Isieving machine) as well technical services on MPEX, CPT and energy audit.	1,050,000
Productivity Improvement for Coffee and Pickled Papaya Production (GAD)	Ciangi's Restaurant	Quezon St., Mati City, Davao Oriental	The project entails the provision of package of assistance for improved productivity and product quality for processed coffee and pickled papaya to include equipment (roasting machine, grinder, food processor, etc.) as well technical services on MPEX, CPT and food safety services.	300,000
Facilities Upgrading for Improved Productivity of Macum Printing Press (GAD)	Macum Printing Press	Quezon St., Mati City, Davao Oriental	The project entails the provision of package of assistance for improved productivity and product quality for production of printed materials to include equipment as well technical services on MPEX, CPT and energy audit.	600,000

Project Title	Beneficiary	Location	Brief Description	Project Cost
Facilities Upgrading for Rice Processing of Kenko Rice Mill	Kenko Rice Mill	Cateel, Davao Oriental	The project entails the provision of package of assistance for improved productivity and product quality for production of rice to include equipment (mechanical dryer) as well technical services on MPEX, CPT and energy audit.	700,000
Facilities Upgrading for Receipt Production of ARECA's Business Center	ARECA's Business Center	Brgy. Central, Mati City, Davao Oriental	The project entails the provision of package of assistance for improved productivity and product quality for continuous receipts to include equipment (specialized printing machine) as well technical services on MPEX, CPT and energy audit.	502,632
SUBTOTAL-DO				3,152,632
Davao del Norte				
Technology Upgrading of Machining, Engine Reconditioning, and Calibrating Services *	JCS Machine Shop	National Highway, Tagum City, Davao del Norte	The project entails technical support through equipment acquisition, training and consultancy services. The objectives of the project include: 1) to increase the over-all productivity of the business operation; 2) to enhance product quality; 3) to increase the income of the enterprise; 4) to generate employment in the locality.	1,268,159.40
Capability Advancement of Metalworking and Fabrication *	JJ JS Machine Shop	TADECO Road, Panabo City, Davao del Norte	The project entails technical support through equipment acquisition, training and consultancy services. The objectives of the project include: 1) to increase the over-all productivity of the business operation; 2) to enhance service quality; 3) to increase the income of the enterprise; 4) to generate employment in the locality.	856,433.00
Technology Upgrading of Personal Care Products Manufacturing *	7As Farm Project Company	Teacher's Village, Tagum City, Davao del Norte	The project entails technical support through equipment acquisition, training and consultancy services. The objectives of the project include: 1) to increase the over-all productivity of the business operation; 2) to enhance product quality; 3) to increase the income of the enterprise; 4) to generate employment in the locality.	350,000.00
Efficiency Enhancement for Peanut Butter Production *	Jersey's Peanut Butter	Dreamville Subd., Tagum City, Davao del Norte	The project entails technical support through equipment acquisition, training and consultancy services. The objectives of the project include: 1) to increase the over-all productivity of the business operation; 2) to enhance product quality; 3) to increase the income of the enterprise; 4) to generate employment in the locality.	893,061.00
Technology Upgrading for Printing and Advertising Services *	SJ Printing Press	Roxas Street, Tagum City, Davao del Norte	The project entails technical support through equipment acquisition, training and consultancy services. The objectives of the project include: 1) to increase the over-all productivity of the business operation; 2) to enhance product quality; 3) to increase the income of the enterprise; 4) to generate employment in the locality.	900,000.00
Product Quality Improvement of Vegetable-Based Snack Food of Frux Food Products *	FruX Food Products	Brgy. San Francisco, Panabo City, Davao del Norte	The project entails technical support through equipment acquisition, training and consultancy services. The objectives of the project include: 1) to increase the over-all productivity of the business operation; 2) to enhance product quality; 3) to increase the income of the enterprise; 4) to generate employment in the locality.	1,200,000.00

Project Title	Beneficiary	Location	Brief Description	Project Cost
Production Efficiency Upgrading for Condiments Repacking	Eon's Quality Repacking	Mankilam, Tagum City, Davao del Norte	The project entails technical assistance and support through the acquisition of high precision equipment, training and consultancy services (MPEX, Energy Audit, Cleaner Production). The objectives of the project include the ff: 1) improve the quality of the products offered, 2) increase sales 3) to generate employment 4) increase the capacity and the productivity of the enterprise.	500,000.00
Aqua Feeds Formulation Project	Balingao Grow-out Enterprise	Kapalong, Davao del Norte	The project entails technical assistance and support through the acquisition of high precision equipment, training and consultancy services (MPEX, Energy Audit, Cleaner Production). The objectives of the project include the ff: 1) improve the quality of the products offered, 2) increase sales 3) to generate employment 4) increase the capacity and the productivity of the enterprise.	350,000.00
Technology Upgrading of Baked Goods Production	Barangay Pandesal	Apokon Road, Tagum City, Davao del Norte	The project entails technical assistance and support through the acquisition of high precision equipment, training and consultancy services (MPEX, Energy Audit, Cleaner Production). The objectives of the project include the ff: 1) improve the quality of the products offered, 2) increase sales 3) to generate employment 4) increase the capacity and the productivity of the enterprise.	500,000.00
Technology Upgrading of Ice Cream Production	Charis Nutri Fruit Bars	Liwayway Village, Tagum City, Davao del Norte	The project entails technical assistance and support through the acquisition of high precision equipment, training and consultancy services (MPEX, Energy Audit, Cleaner Production). The objectives of the project include the ff: 1) improve the quality of the products offered, 2) increase sales 3) to generate employment 4) increase the capacity and the productivity of the enterprise.	500,000.00
Technology Upgrading of Gourmet Chocolate Production	Rehoboth Cooperative	New Pandan, Panabo City, Davao del Norte	The project entails technical assistance and support through the acquisition of high precision equipment, training and consultancy services (MPEX, Energy Audit, Cleaner Production). The objectives of the project include the ff: 1) improve the quality of the products offered, 2) increase sales 3) to generate employment 4) increase the capacity and the productivity of the enterprise.	338,739.00
Productivity Improvement of Dairy Processing**	Hadie's Cheese	Apokon, Tagum City, Davao del Norte	The project entails technical assistance and support through the acquisition of high precision equipment, training and consultancy services (MPEX, Energy Audit, Cleaner Production). The objectives of the project include the ff: 1) improve the quality of the product offered, 2) increase sales 3) to generate employment 4) increase the capacity and the productivity of the enterprise.	300,000.00

Project Title	Beneficiary	Location	Brief Description	Project Cost
Mechanization of Organic Fertilizer Production **	Tough D Agri Enterprises	Purok Pilar, Barangay Southern Davao, Panabo City, Davao del Norte	The project entails technical assistance and support through the acquisition of high precision equipment, training and consultancy services (MPEX, Energy Audit, Cleaner Production). The objectives of the project include the ff: 1) improve the quality of the products offered, 2) increase sales 3) to generate employment 4) increase the capacity and the productivity of the enterprise.	975,640.00
Enhancing the Productivity and Product Quality of Food Colony Burgers and Fries **	Food Colony Burgers and Fries	Panabo City, Davao del Norte	The project entails technical assistance and support through the acquisition of high precision equipment, training and consultancy services (MPEX, Energy Audit, Cleaner Production). The objectives of the project include the ff: 1) improve the quality of the products offered, 2) increase sales 3) to generate employment 4) increase the capacity and the productivity of the enterprise.	500,000.00
Productivity Enhancement of Tablea Manufacturing **	Sikwate de San Isidro	San Isidro, Davao del Norte	The project entails technical support through equipment acquisition, training and consultancy services. The objectives of the project include: 1) to increase the over-all productivity of the business operation; 2) to enhance service quality; 3) to increase the income of the enterprise; 4) to generate employment in the locality.	1,000,000.00
SUBTOTAL-DN				7,656,392
Regional Office				
Management and Monitoring Fund for the Implementation of SETUP	DOST XI	Regionwide	The project primarily aims to improve the competitiveness of MSME's and specifically aims to assist in the formulation and implementation of SETUP and DOST XI GIA Projects; create network and linkages through the project implementation; review and examine project proposals submitted under DOST SETUP for CY 2016 and proposals under DOST GIA; assist in monitoring of existing projects; consolidate, prepare, and submit reports related to the projects; and assist in the conduct of trainings, fora, seminars and workshops.	3,877,624
Technology Trainings & Consultancy Services in Support to the Implementation of SETUP	DOST XI	Regionwide	The project aims to support the sustainable socio-economic development of the Region through the conduct of technology trainings. Specifically it aims to transfer technologies from RDIs and technology generators; and improve/enhance the manpower capabilities of the region. Also, the project aims to support the implementation of SETUP through the provision of consultancy services to SETUP beneficiaries/ proponents.	3,825,541
