

**SMALL ENTERPRISE TECHNOLOGY UPGRADING PROGRAM
 CASH PROGRAM - CY 2017**

Project Title	Beneficiary	Location	Brief Description	Project Cost	Remarks
Davao City					
Upgrading of Prime Jevo Barquillos Production	Prime Jevo Food Products	South Villa, Maa, Davao City	This projects aims to upgrade the production process of the firm through the provision of mechanized and Good Manufacturing Practices (GMP)-compliant equipment that will improve the quality and shelf life of food products.	775,700	Changed project cost as per actual and approved LIB
Production Upgrading and Product Quality Improvement of Bakery Goods of Brylle's Grocers and Bakeshoppe	Brylle's Grocers and Bakeshoppe	Baguio District, Davao City	The assistance involves the provision of various baking equipment for a more efficient production process resulting to increase in productivity and improved quality of baked products.	1,500,000	Changed project cost as per actual and approved LIB
Process Advancement of Polyprod Industrial Suppliss	Polyprod Industrial Supplies	Ma-a, Davao City	This project aims to improve the machining capability of the enterprise thru the acquisition of upgraded fabrication equipment.	900,000	New proponent; original listed firm signified not to proceed with their application
Improvement of Process Performance of Filden Care Essentials	Filden Care Essentials	Tugbok District, Davao City	This project aims to improve the machining capability of the enterprise thru the acquisition of upgraded fabrication equipment.	866,739	New proponent; original listed firm signified not to proceed with their application
Productivity Enhancement of East L.A. Cleaning Products	East L.A. Industry, Inc.	Maa, Davao City	The project intends to provide better production equipment that will increase productivity and meet the increasing market demand of cleaning products.	2,999,984	Changed project cost as per actual and approved LIB
Technology Advancement of Arm Arts Garments	Arm Arts Garments	MacArthur Highway, Bangkal, Davao City	The project entails the provision of an embroidery machine that would increase productivity, enhance quality of embroidery output and cater to a growing clientele.	1,827,716	Changed project cost as per actual and approved LIB
Upgrading of Papat's Processed Meat Products	Papat's Food Products	Bo. Pampanga, Davao City	The upgrading involves the provision of efficient and GMP-compliant equipment that would increase the firm's productivity and improve the quality of their processed meat.	604,800	Changed proponent's requirement

Project Title	Beneficiary	Location	Brief Description	Project Cost	Remarks
Automation of the Cutting Process of CPR Gun Technology	CPR Gun Technology	Bo. Pampanga, Davao City	This project aims to improve the machining capability of the enterprise thru the acquisition of upgraded fabrication equipment.	2,091,800	New proponent; original listed firm signified not to proceed with their application
SUBTOTAL-DC				11,566,739	
Compostela Valley					
Technology Upgrading of Juice Production of A&Y Fruit Juice Maker	A&Y Fruit Juice Maker	Purok 2, Poblacion, Compostela, Compostela Valley Province	The project entails technical assistance and support through the acquisition of equipment such as juice filling and sealing machine and mixer, trainings and consultancy services . The objectives of the project are: 1) to upgrade the firm's capacity and productivity; 2) to improve the quality of product's packaging ; 3) to increase sales and 4) to generate employment.	1,330,480	Changed project cost as per actual and approved LIB
Technology Upgrading of Mechanization of Major Bread Making Processes of Randy's Bakeshop	Randy's Bakeshop	Poblacion, Monkayo, Compostela Valley Province	The project entails technical assistance and support through the acquisition of gas type deck oven, spiral mixer, dough roller, trainings (GMP) and consultancy services (Energy Audit, Food Safety,MPEX) . The objectives of the project are: 1) to upgrade the firm's capacity and productivity; 2) to improve the quality of bread products ; 3) to increase sales and 4) to generate employment.	530,300	Changed project cost as per actual and approved LIB
Technology Upgrading of the Apparel Manufacturing Business of Cheri-lou Rabanoz Aranjuez Wedding and Events	Cheri-lou Rabanoz Aranjuez Wedding and Events	Purok 4, Poblacion, Montevista, Compostela Valley	The project entails technical assistance and support through the acquisition of equipment such as embroidery machine, buttonholer, button sewer, trainings, and consultancy services (Energy Audit, MPEX) . The objectives of the project are: 1) to improve the firm's productivity; 2) to improve the quality of rice products; and 3) to maximize cost efficiency.	670,750	New proponent; original listed firm signified not to proceed with their application
Technology Upgrading of the Production Facility of VPI EMPC Bakeshop	VPI Employees Multipurpose Cooperative	Crossing Dumlan, Maco, Comval	The project entails technical assistance and support through the acquisition of upgraded equipment, trainings (GMP among others) and consultancy services. The objectives of the project are: 1) to upgrade the firm's capacity and productivity; 2) to improve the quality of bread products ; 3) to increase sales and 4) to generate employment.	510,800	New proponent; original listed firm signified not to proceed with their application

Project Title	Beneficiary	Location	Brief Description	Project Cost	Remarks
Auxilliary Upgrading of the Rice Mill Facility of Loronix Store	Loronix Store	Gabi, Compostela, Compostela Valley	The project entails technical support through equipment acquisition:rice color sorting machine, training and consultancy services. The objectives of the project are: 1) to increase sales and income by way of operation efficiency, and 2) improve quality of product.	2,200,000	New proponent; original listed firm signified not to proceed with their application
Capability Upgrading of the Production Facility of Yekoy Food Products	Yekoy Food Products	Kingking, Pantukan, Compostela Valley Province	The project entails technical assistance and support through the acquisition of equipment such as mixer, freezer, digital thermometer, stainless table for pre-mixing, stainless table for final mixing, airconditioner, AVR that can support the freezer, and hand dryer, GMP training and consultancy services (Energy Audit, Food Safety,MPEX) . The objectives of the project are: 1) to upgrade the firm's capacity and productivity; 2) to improve the quality and shelf life of food products and ; 3) to increase sales.	660,382	Changed proponent's requirement
Technology Upgrading of the Printing Facility of Polynetz Digital Print Shop	Polynetz Digital Prints Shop	Poblacion, Nabunturan, Compostela Valley Province	The project entails technical assistance and support through the acquisition of equipment such as large-format printing machine, blue-print autocad printer, training and consultancy services. The objectives of the project are: 1) to upgrade the firm's capacity and productivity; 2) to improve the quality products and services and; 3) to	1,500,000	New proponent; original listed firm signified not to proceed with their application
SUBTOTAL-CV				7,402,712	
Davao del Sur					
Technology Upgrading for Banana Chips and Cassava Crunch Production of Double S Banana Chips	Double S Banana Chips	Digos City, Davao del Sur	The project entails technical assistance and support through the acquisition of high precision equipment, packaging and labeling design and execution, training and consultancy services (MPEX, Energy Audit and Food Safety).	400,000	No changes
Facilities Upgrading for Ricemill Fabrication and Repair Services	Phil-tech Ricemill and Repair	Bansalan, Davao del Sur	The project entails technical assistance and support through the acquisition of high precision equipment, training and consultancy services (MPEX, CPT and Energy Audit).	1,275,368	Changed proponent's requirement
Technology Enhancement for Fabrication and Repair Services (SETUP II)	DP Fabrication and Machineries	Digos City, Davao del Sur	The project entails technical assistance and support through the acquisition of high precision equipment, training and consultancy services (CPT and Energy Audit).	2,889,100	Changed project cost as per actual and approved LIB
Technology Enhancement for Feeds Processing	Mindanao Baptist Rural Life Center	Bansalan, Davao del Sur	The project entails technical assistance and support through the acquisition of high precision equipment, training and consultancy services (MPEX, CPT and Energy Audit)	834,900	Changed proponent's requirement

Project Title	Beneficiary	Location	Brief Description	Project Cost	Remarks
Facilities Upgrading for Cacao Tablea Production	ND Foods Processing	Bansalan, Davao del Sur	The project entails technical assistance and support through the acquisition of high precision equipment, packaging and labeling design and execution, training and consultancy services (MPEX, Energy Audit and Food Safety).	451,704	Changed proponent's requirement
Facilities Upgrading for Organic Fertilizer Production	Greenros Enterprises	Padada, Davao del Sur	The project entails technical assistance and support through the acquisition of high precision equipment, training and consultancy services.	949,800	Changed proponent's requirement
SUBTOTAL-DS				6,800,872	
Davao Occidental					
Facilities Upgrading for Bakery Products of Jelienn Jule's Bakeshop	Jelienn Jule's Bakeshop Mr. Jejun S. Torrejano, Owner/Manager	Brgy. Basiawan, Sta. Maria, Davao Occidental	The project intends to upgrade its baking equipment and to be compliant with the GMP/Food Safety standards in order to improve productivity and be competitive in the market.	296,200	New proponent; original listed firm signified not to proceed with their application
Upgrading of Facilities for JLA Bakeshop	JLA Bakeshop Mrs. Jocylene L. Aldamia, Owner/Manager	National Highway, Poblacion, Malita, Davao Occidental	The project intends to upgrade its baking equipment and to be compliant with the GMP/Food Safety standards in order to improve productivity and be competitive in the market.	300,000	New proponent; original listed firm signified not to proceed with their application
Technology Upgrading of Furniture and Home Furnishing Making	12 Star Lumad Manubo Marketing Cooperative	Brgy. Tanuman, Jose Abad Santos, Davao Occidental	The project intends to upgrade its furniture equipment in order to improve productivity and thereby provide livelihood opportunities for the members.	468,310	New proponent; original listed firm signified not to proceed with their application
SUBTOTAL-DavOcci				1,064,510	
Davao Oriental					
Upgrading of Sieving Technologies for Sand and Gravel	RC Trocio Builders and Construction Supply	Madang, Brgy. Central, Mati City, Davao Oriental	The project entails the provision of package of assistance for improved productivity and product quality for production of construction materials to include equipment (Isieving machine) as well technical services on MPEX, CPT and energy audit.	1,050,000	No changes
Productivity Improvement for Coffee and Pickled Papaya Production (GAD)	Ciangi's Restaurant	Quezon St., Mati City, Davao Oriental	The project entails the provision of package of assistance for improved productivity and product quality for processed coffee and pickled papaya to include equipment (roasting machine, grinder, food processor, etc.) as well technical services on MPEX, CPT and food safety services.	150,400	Changed project cost as per actual and approved LIB
Facilities Upgrading for Improved Productivity of Macum Printing Press (GAD)	Macum Printing Press	Quezon St., Mati City, Davao Oriental	The project entails the provision of package of assistance for improved productivity and product quality for production of printed materials to include equipment as well technical services on MPEX, CPT and energy audit.	1,024,000	Changed proponent's requirement

Project Title	Beneficiary	Location	Brief Description	Project Cost	Remarks
Poductivity Improvement through Automation and Wastewater Utilization of Gotardo General Services	Gotardo General Services	Mati City, Davao Oriental	The project entails the provision of package of assistance for improved productivity and waste water utilization of Gotardo General Service include equipment (automated cleaning and drying machine) as well technical services on MPEX, CPT and energy audit.	950,000	New proponent; original listed firm signified not to proceed with their application
Productivity Enhancement and Product Development of Ruffa Food Products	Ruffa Food Products	Brgy. Anitap, Tibanban, Governor Generoso, Davao Oriental	The project entails the provision of package of assistance for improved productivity and product quality for banana chips processing to include equipment (chipping machine) as well technical services on MPEX, CPT and energy audit.	64,286	New proponent; original listed firm signified not to proceed with their application
SUBTOTAL-DO				3,238,686	
Davao del Norte					
Technology Upgrading of Machining, Engine Reconditioning, and Calibrating	JCS Machine Shop	National Highway, Tagum City, Davao del Norte	The project entails technical support through equipment acquisition, training and consultancy services. The objectives of the project include: 1) to increase the over-all productivity of the business operation; 2) to enhance product quality; 3) to increase the income of the enterprise; 4) to generate employment in the locality.	1,268,159	No changes
Capability Advancement of Metalworking and Fabrication	JJ JS Machine Shop	TADECO Road, Panabo City, Davao del Norte	The project entails technical support through equipment acquisition, training and consultancy services. The objectives of the project include: 1) to increase the over-all productivity of the business operation; 2) to enhance service quality; 3) to increase the income of the enterprise; 4) to generate employment in the locality.	567,000	Changed project cost as per actual and approved LIB
Technology Upgrading of Personal Care Products Manufacturing	7A's Farm Project Company	Teacher's Village, Tagum City, Davao del Norte	The project entails technical support through equipment acquisition, training and consultancy services. The objectives of the project include: 1) to increase the over-all productivity of the business operation; 2) to enhance product quality; 3) to increase the income of the enterprise; 4) to generate employment in the locality.	350,000	No changes
Efficiency Enhancement for Peanut Butter Production	Jersey's Peanut Butter	Dreamville Subd., Tagum City, Davao del Norte	The project entails technical support through equipment acquisition, training and consultancy services. The objectives of the project include: 1) to increase the over-all productivity of the business operation; 2) to enhance product quality; 3) to increase the income of the enterprise; 4) to generate employment in the locality.	893,061	No changes

Project Title	Beneficiary	Location	Brief Description	Project Cost	Remarks
Technology Upgrading for Printing and Advertising Services	SJ Printing Press	Roxas Street, Tagum City, Davao del Norte	The project entails technical support through equipment acquisition, training and consultancy services. The objectives of the project include: 1) to increase the over-all productivity of the business operation; 2) to enhance product quality; 3) to increase the income of the enterprise; 4) to generate employment in the locality.	900,000	No changes
Product Quality Improvement of Vegetable-Based Snack Food of Frux Food Products	Frux Food Products	Brgy. San Francisco, Panabo City, Davao del Norte	The project entails technical support through equipment acquisition, training and consultancy services. The objectives of the project include: 1) to increase the over-all productivity of the business operation; 2) to enhance product quality; 3) to increase the income of the enterprise; 4) to generate employment in the locality.	1,200,000	No changes
Productivity Improvement Through Equipment Acquisition for the Duck Egg Incubation of JSL Duck Eggs and Balut Maker	JSL Duck Eggs and Balut Maker	Mankilam, Tagum City, Davao del Norte	The project entails technical assistance and support through the acquisition of high precision equipment, training and consultancy services (MPEX, Energy Audit, Cleaner Production). The objectives of the project include the ff: 1) improve the quality of the products offered, 2) increase sales 3) to generate employment 4) increase the capacity and the productivity of the enterprise.	132,000	New proponent; original listed firm signified not to proceed with their application
Technology Upgrading on Primary Processing of Rice Grains	Alben Rice Mill	Kapalong, Davao del Norte	The project entails technical assistance and support through the acquisition of high precision equipment, training and consultancy services (MPEX, Energy Audit, Cleaner Production). The objectives of the project include the ff: 1) improve the quality of the products offered, 2) increase sales 3) to generate employment 4) increase the capacity and the productivity of the enterprise.	1,992,857	New proponent; original listed firm signified not to proceed with their application
Technology Upgrading of Buko Pie Production of All About Buko	All About Buko	Apokon Road, Tagum City, Davao del Norte	The project entails technical assistance and support through the acquisition of high precision equipment, training and consultancy services (MPEX, Energy Audit, Cleaner Production). The objectives of the project include the ff: 1) improve the quality of the products offered, 2) increase sales 3) to generate employment 4) increase the capacity and the productivity of the enterprise.	350,000	New proponent; original listed firm signified not to proceed with their application

Project Title	Beneficiary	Location	Brief Description	Project Cost	Remarks
Capability Building through Equipment Acquisition for Embroidery Services	JSL Dress Shop & Shirts	Liwayway Village, Tagum City, Davao del Norte	The project entails technical assistance and support through the acquisition of high precision equipment, training and consultancy services (MPEX, Energy Audit, Cleaner Production). The objectives of the project include the ff: 1) improve the quality of the products offered, 2) increase sales 3) to generate employment 4) increase the capacity and the productivity of the enterprise.	212,303	New proponent; original listed firm signified not to proceed with their application
SUBTOTAL-DN				7,865,381	
Regional Office					
Management and Monitoring Fund for the Implementation of SETUP	DOST XI	Regionwide	The project primarily aims to improve the competitiveness of MSME's and specifically aims to assist in the formulation and implementation of SETUP and DOST XI GIA Projects; create network and linkages through the project implementation; review and examine project proposals submitted under DOST SETUP for CY 2016 and proposals under DOST GIA; assist in monitoring of existing projects; consolidate, prepare, and submit reports related to the projects; and assist in the conduct of trainings, fora, seminars and workshops.	3,370,184	Changed project cost as per actual and approved LIB
Technology Trainings & Consultancy Services in Support to the Implementation of SETUP	DOST XI	Regionwide	The project aims to support the sustainable socio-economic development of the Region through the conduct of technology trainings. Specifically it aims to transfer technologies from RDIs and technology generators; and improve/enhance the manpower capabilities of the region. Also, the project aims to support the implementation of SETUP through the provision of consultancy services to SETUP beneficiaries/ proponents.	3,324,916	Changed project cost as per actual and approved LIB
