

CY 2018 LIST
SMALL ENTERPRISE TECHNOLOGY UPGRADING PROGRAM

Project Title	Project Beneficiary	Brief Description	Location	District	Project Cost
Productivity Upgrading of CPR Gun Technology, Inc.	CPR Gun Technology Inc.,	The project aims to improve the efficiency and productivity on gunsmithing services of CPR Gun Technology, Inc. and expand product lines to cater to market demand.	Brgy. Vicente, Hizon, Davao City	I	3,000,000.00
Equipment Upgrading of Benjo Machining Services	Benjo Machine Shop	The project aims to increase the capacity of the firm thru the provision of upgraded machining facility.	Buhangin, Davao City	II	500,000.00
Technology Upgrading of Calixtra Meat Processing	Calixtra's Food Products	The project intends to provide efficient and GMP-compliant equipment and tools to increase the firm's productivity and improve the quality of processed meat.	Buhangin, Davao City	II	2,500,000.00
Quality and Packaging Enhancement of Davao Mission Foods	Davao Mission Foods	The assistance will involve the provision of efficient food processing and packaging equipment to improve the marketability of soya products.	Palm Drive, Buhangin, Davao City	II	1,200,000.00
Production Upgrading of B & N Processed Meats	Boy & Nida Food Products	The project aims to provide efficient equipment and tools to extend the product shelf-life and improve the quality of processed meat.	NCCC Village, Brgy. 20-B, Davao City	I	500,000.00
Productivity Improvement of Bio Leaf Herbal Soap	Bio Leaf RM Enterprise	This objective of the project is to improve the firm's productivity thru the provision of mechanized processing and packaging machines for herbal soap production.	Ma-a, Davao City	I	1,000,000.00
Capability Enhancement of NBJL Metal Fabrication	NBJL Trading	The project intends to capacitate the firm thru the acquisition of upgraded fabrication equipment.	Bangkal, Davao City	III	1,000,153.47
Technology Upgrading of Ancient Herbs	Ancient Herbs Food Products	The project involves the provision of mechanized and GMP-compliant processing and packaging equipment to further improve the quality of food supplement products.	Toril, Davao City	III	1,000,000.00
Subtotal - DC					10,700,153.47

Project Title	Project Beneficiary	Brief Description	Location	District	Project Cost
Advertising Services Innovation through Equipment Acquisition of J&N Sign Factor*	J&N Sign Factor	The project entails technical support through equipment acquisition, training and consultancy services. The objectives of the project include: 1) to increase the over-all productivity of the business operation; 2) to enhance product quality; 3) to increase the income of the enterprise; 4) to generate employment in the locality.	Kapalong, Davao del Norte	I	2,150,000.00
Efficiency Enhancement for Machining Services*	R12D Machine Shop and Engineering Services	The project entails technical support through equipment acquisition, training and consultancy services. The objectives of the project include: 1) to increase the over-all productivity of the business operation; 2) to enhance product quality; 3) to increase the income of the enterprise; 4) to generate employment in the locality.	Carmen, Davao del Norte	II	1,000,000.00
Technology Upgrading On Yogurt Ice Cream Production*	Hadie's Cheese	The project entails technical support through equipment acquisition, training and consultancy services. The objectives of the project include: 1) to increase the over-all productivity of the business operation; 2) to enhance product quality; 3) to increase the income of the enterprise; 4) to generate employment in the locality.	Tagum City, Davao del Norte	I	399,000.00
Capability Enhancement of Printing Services of New Milrose Ticketing, General Merchandise and Prints*	New Milrose Ticketing, General Merchandise and Prints	The project entails technical support through equipment acquisition, training and consultancy services. The objectives of the project include: 1) to increase the over-all productivity of the business operation; 2) to enhance product quality; 3) to increase the income of the enterprise; 4) to generate employment in the locality.	Tagum City, Davao del Norte	I	255,000.00
Technology Upgrading on Cacao Processing	Roni's General Merchandise	The project entails technical support through equipment acquisition, training and consultancy services. The objectives of the project include: 1) to increase the over-all productivity of the business operation; 2) to enhance service quality; 3) to increase the income of the enterprise; 4) to generate employment in the locality.	Sison Subdivision, Tagum City, Davao del Norte	I	315,360.07

Project Title	Project Beneficiary	Brief Description	Location	District	Project Cost
Capability Enhancement on Aqua Feeds and Fingerlings Production	Balingao Grow-out Enterprise	The project entails technical support through equipment acquisition, training and consultancy services. The objectives of the project include: 1) to increase the over-all productivity of the business operation; 2) to enhance product quality; 3) to increase the income of the enterprise; 4) to generate employment in the locality.	Brgy. Semong, Kapalong, Davao del Norte	I	350,000.00
Productivity Enhancement and Food Safety Assurance for Ice Cream Production	Mang Danny's Famous Ice Cream	The project entails technical support through equipment acquisition, training and consultancy services. The objectives of the project include: 1) to increase the over-all productivity of the business operation; 2) to enhance product quality; 3) to increase the income of the enterprise; 4) to generate employment in the locality.	Panabo City, Davao del Norte	II	650,000.00
Capability Enhancement of Honey Production	Loyola Bee Farm	The project entails technical support through equipment acquisition, training and consultancy services. The objectives of the project include: 1) to increase the over-all productivity of the business operation; 2) to enhance product quality; 3) to increase the income of the enterprise; 4) to generate employment in the locality.	Brgy. Cagangohan, Panabo City, Davao del Norte	II	800,000.00
Capability Enhancement of Hand-made Paper Production	TADECO Livelihood	The project entails technical assistance and support through the acquisition of equipment, training and consultancy services (MPEX, Energy Audit, Cleaner Production). The objectives of the project include the ff: 1) improve the quality of the products offered, 2) increase sales 3) to generate employment 4) increase the capacity and the productivity of the enterprise.	Brgy. A.O. Floirendo, Panabo City, Davao del Norte	II	1,000,000.00
Technology Upgrading on Primary Processing of Rice Grains (Augmentation for 2017 approved project)	Alben Rice Mill	The project entails technical support through equipment acquisition, training and consultancy services. The objectives of the project include: 1) to increase the over-all productivity of the business operation; 2) to enhance product quality; 3) to increase the income of the enterprise; 4) to generate employment in the locality.	Purok 8A, National Highway Curvada, Magdum, Tagum City, Davao del Norte	I	356,743.00
Technology Upgrading of Processed Meat Production**	Nemie's Homemade Frozen Food Products	The project entails technical support through equipment acquisition, training and consultancy services. The objectives of the project include: 1) to increase the over-all productivity of the business operation; 2) to enhance product quality; 3) to increase the income of the enterprise; 4) to generate employment in the locality.	Brgy. Cagangohan, Panabo City, Davao del Norte	II	-

Project Title	Project Beneficiary	Brief Description	Location	District	Project Cost
Technology Upgrading on Primary Processing of Rice of H. Villan Store and Agri Buy & Sell**	H. Villan Store and Agri Buy & Sell	The project entails technical support through equipment acquisition, training and consultancy services. The objectives of the project include: 1) to increase the over-all productivity of the business operation; 2) to enhance product quality; 3) to increase the income of the enterprise; 4) to generate employment in the locality.	Tagum City, Davao del Norte	I	-
Innovation Support for Primary Processing of Rice**	Buhisan Agri Buy and Sell	The project entails technical assistance and support through the acquisition of equipment, training and consultancy services (MPEX, Energy Audit, Cleaner Production). The objectives of the project include the ff: 1) improve the quality of the products offered, 2) increase sales 3) to generate employment 4) increase the capacity and the productivity of the enterprise.	La Filipina, Tagum City, Davao del Norte	I	-
Productivity Enhancement of Tablea Manufacturing**	Sikwate de San Isidro	The project entails technical assistance and support through the acquisition of equipment, training and consultancy services (MPEX, Energy Audit, Cleaner Production). The objectives of the project include the ff: 1) improve the quality of the product offered, 2) increase sales 3) to generate employment 4) increase the capacity and the productivity of the enterprise.	San Isidro, Davao del Norte	I	-
Subtotal - DN					7,276,103.07
Technology Upgrading of Machining and Allied Services of Sumatra Auto Repair and Auto Parts*	Sumatra Repair Shop and Autoparts	The project entails technical assistance and support through the acquisition of upgraded equipment, trainings, and consultancy services (Energy Audit, MPEX) . The objectives of the project are: 1) to improve the firm's productivity; 2) to improve the quality of bread products; and 3) to maximize cost efficiency.	Poblacion, Monkayo, Compostela Valley Province		510,000.00
Auxilliary Upgrading of the Machining Capability of RLH Engineering Services	RLH Engineering Services	The project entails technical assistance and support through the acquisition of equipment for machining services, trainings and consultancy services . The objectives of the project are: 1) to upgrade the firm's capacity and productivity; 2) to improve the quality of services ; 3) to increase sales and 4) to generate employment.	Purok Tambis, Poblacion, Maragusan, Compostela Valley Province		1,510,000.00

Project Title	Project Beneficiary	Brief Description	Location	District	Project Cost
Auxilliary Upgrading of Primary Processing Facility of Antofel Trading	Antofel Trading	The project entails technical assistance and support through the acquisition of equipment for primary processing of rice, trainings and consultancy services . The objectives of the project are: 1) to upgrade the firm's capacity and productivity; 2) to improve the quality of services ; 3) to increase sales and 4) to generate employment.	Poblacion, Montevista, Compostela Valley Province		2,000,000.00
Technology Upgrading of the Bakeshoppe Business of Earl and Mia Food Station	Earl and Mia Food Station	The project entails technical assistance and support through the acquisition of equipment such as rice mill facility, trainings (GMP) and consultancy services (Energy Audit, Food Safety,MPEX) . The objectives of the project are: 1) to upgrade the firm's capacity and productivity; 2) to improve the quality of rice products ; 3) to increase sales and 4) to generate employment.	Poblacion, Monkayo, Compostela Valley Province		400,000.00
Technology Upgrading of Chocolate and Tablea Manufacturing Business of Comval Tropical Harvest Co., Inc.	Comval Tropical Harvest Co., Inc.	The project entails technical assistance and support through the acquisition of equipment such as tempering machine, conching machine, training and consultancy services. The objectives of the project are: 1) to upgrade the firm's capacity and productivity; 2) to improve the quality of products and services and; 3) to increase sales.	Purok 1, Antiquera, Nabunturan, Compostela Valley Province		1,180,000.00
Technology Upgrading of the T-shirt printing services of Comval Printshop	Comval Printshop	The project entails technical assistance and support through the acquisition of upgraded equipment, trainings (GMP among others) and consultancy services. The objectives of the project are: 1) to upgrade the firm's capacity and productivity; 2) to improve the quality of bread products ; 3) to increase sales and 4) to generate employment.	Poblacion, Nabunturan, Compostela Valley Province		300,000.00
Technology Upgrading of Printing Services of E Mencidor Printing Press and Office Supplies Business	E Mencidor Printing Press and Office Supplies Business	The project entails technical support through equipment acquisition: trapaulin printing machine, mecahnical cutter, training and consultancy services. The objectives of the project are: 1) to increase sales and income by way of operation efficiency, and 2) improve quality of product.	Poblacion, Nabunturan, Compostela Valley Province		700,000.00

Project Title	Project Beneficiary	Brief Description	Location	District	Project Cost
Capability Upgrading of the Production Facility of Yekoy Food Products	Yekoy Food Products	The project entails technical assistance and support through the acquisition of equipment such as mixer, freezer, digital thermometer, stainless table for pre-mixing, stainless table for final mixing, airconditioner, AVR that can support the freezer, and hand dryer, GMP training and consultancy services (Energy Audit, Food Safety, MPEX) . The objectives of the project are: 1) to upgrade the firm's capacity and productivity; 2) to improve the quality and shelf life of food products and ; 3) to increase sales.	Kingking, Pantukan, Compostela Valley Province		248,097.00
Subtotal - CV					6,848,097.00
Technology Enhancement for Bread and Pastry Production of The Prangel's Snack Inn (SETUP II)	The Prangel's Snack Inn	The project entails technical assistance and support through the acquisition of high precision equipment, packaging and labeling design and execution, trainings and consultancy services (CPT and Food Safety) . The objectives of the project are to: 1) upgrade the firm's capacity and productivity; 2) improve the quality of products and comply with food safety standards; 3) increase sales; and 4) generate employment.	2724 Doña Aurora Extension, Zone III, Poblacion, Digos City, Davao del Sur	LONE	2,900,000.00
Facilities Upgrading for Primary Processing Facilities of HTLS Rice Mill	HTLS Rice Mill	The project entails technical assistance and support through the acquisition of high precision equipment, trainings and consultancy services (CPT, MPEX and Energy Audit). The objectives of the project are to: 1) improve the quality of products and services offered; 2) increase sales and revenue; 3) increase firm's productivity; and 4) generate employment.	Poblacion, Magsaysay, Davao del Sur	LONE	1,950,000.00
Technology Upgrading for Bakery Products of Ercyl Bakeshoppe	Ercyl Bakeshoppe	The project entails technical assistance and support through the acquisition of high precision equipment, packaging and labeling design and execution, trainings and consultancy services (CAMPI, MPEX, CPT, Energy Audit and Food Safety). The objectives of the project are to: 1) upgrade the firm's capacity and productivity; 2) improve the quality of products and comply with food safety standards; 3) increase sales; and 4) generate employment.	Padada Public Market, Almendras District, Padada, Davao del Sur	LONE	378,347.00
Upgrading of Metal Works and Stainless Fabrication	Niel Rose Stainless Fabrication	The project entails technical assistance and support through the acquisition of high precision equipment, trainings and consultancy services (CPT, MPEX and Energy Audit). The objectives of the project are to: 1) improve the quality of products and services offered; 2) increase sales and revenue; 3) increase firm's productivity; and 4) generate employment.	Mc. Arthur Highway, Kiagot, Digos City, Davao del Sur	LONE	430,000.00

Project Title	Project Beneficiary	Brief Description	Location	District	Project Cost
Facilities Upgrading for Cacao Tablea Production (SETUP II)	ND Foods Processing	The project entails technical assistance and support through the acquisition of high precision equipment, packaging and labeling design and execution, trainings and consultancy services (CAMPI, MPEX, CPT, Energy Audit and Food Safety). The objectives of the project are to: 1) upgrade the firm's capacity and productivity; 2) improve the quality of products and comply with food safety standards; 3) increase sales; and 4) generate employment.	835 R. Delos Cientos St., Bansalan, Davao del Sur	LONE	633,000.76
Subtotal - DS					6,291,347.76
Facilities Upgrading for Receipt Production of ARECA's Business Center	ARECA's Business Center	The project entails the provision of package of assistance for improved productivity and product quality for receipts and other printed materials to include equipment (comcolor printing machine) as well technical services on MPEX, CPT and energy audit.	Limatoc St., Brgy. Central, Mati City, Davao Oriental	II	1900000
Upgrading of Postharvest Facilities of Francisquete Rice and Corn Mill	Francisquete Rice and Corn Mill	The project entails the provision of package of assistance for improved productivity and product quality for production milled rice and corn (flatbed dryer) as well technical services on MPEX, CPT and energy audit.	Brgy. Dapnan, Baganga, Davao Oriental	I	700,000.00
Productivity Improvement and Food Safety Compliance for Banana Chips Production of Ruffa Food Products	Ruffa Food Products	Provision of technical assistance to upgrade facilities in banana chips processing including consultancy services (GMP, CPT and label design and packaging).	Purok 6, Brgy. Anitap, Gov. Generoso	II	150,000.00
Facilities Upgrading for Furniture Production of Mati Woodworks	Mati Woodworks	The project entails the provision of package of assistance for improved productivity and product quality for production of furniture and other woodworks to include equipment as well technical services on MPEX, CPT and energy audit.	National Highway, Dahican, Davao Oriental	II	246,042.44
Subtotal - DO					2,996,042.44
Acquisition of Bakery Depositor Technology for Increased Production of Cookies by Jayrik's Bakeshoppe	Jayrik's Bakeshoppe	The project entails technical assistance and support through the acquisition of high precision equipment, packaging and labeling design and execution, trainings and consultancy services (MPEX, Energy Audit and Food Safety). The objectives of the project are: 1) to upgrade the firm's capacity and productivity; 2) to improve the quality of products and comply with food safety standards; 3) increase sales; and 4) to generate employment.	Malita, Davao Occidental	LONE	684,756.25

Project Title	Project Beneficiary	Brief Description	Location	District	Project Cost
Upgrading the Production Facilities of Tecson's Carenderia	Tecson's Carenderia	The project entails technical assistance and support through the acquisition of high precision equipment, trainings and consultancy services (MPEX, Energy Audit, and CAPE). The objectives of the project are: 1) to upgrade the firm's capacity and productivity; 2) to improve the quality of products; 3) increase sales; and 4) to generate employment.	Malita, Davao Occidental	LONE	300,000.00
Subtotal - DOCC					984,756.25
Management and Monitoring Fund for the Implementation of SETUP	SETUP cooperators	The project is in support to the implementation of SETUP in the Region. This involves the project data gathering, Technology Needs Assessment, GAD Assessment, project proposal preparation, project evaluation, monitoring, and management of SETUP projects. A thorough monitoring of physical and financial status (collection and monitoring of refunds) is necessary for the success of the program.	Regionwide		3,587,111.00
Technology Trainings in Support to the Implementation of SETUP	SETUP cooperators/MSMEs/LGUs/cooperatives/associations/NGOs/Pos	Provision of technology trainings to firms and general public and technical consultancy services to MSMEs such as Manufacturing Productivity Extension Program, Consultancy on Agricultural Productivity Enhancement Program, Cleaner Production Technology Assessment, Food Safety Services, and Energy Assessment/Audit. The project aims to support the implementation of SETUP in the Region to improve the productivity of the firm.	Regionwide		713,889.01
Consultancy Services in Support to the Implementation of SETUP	SETUP cooperators		Regionwide		1,892,500.00
Subtotal - RO					6,193,500.01
