

**LIST OF SETUP PROJECTS
CY 2012**

No.	Project Title	Project Description	Name of Beneficiary/ Address	Total Project Cost (PhP)	Status (as of 15 November 2012)
1	Upgrading of Manufacturing Process of Gourmet Tuyo Products of Reymic Enterprises	Provision of additional equipment to improve shelf-life of the product, quality and palatability of the product and speed up the process	Reymic Enterprises, Catalunan Grande, Davao City, District I	167,460	On-going procurement of equipment.
2	Upgrading of Vinegar Production Facilities	Provision of additional equipment to improve shelf-life of the product, quality and palatability of the product and speed up the process	Apo Vinegar/ #25 San Miguel Village, Matina, Davao City, District I	586,000	On-going procurement of equipment.
3	Upgrading of Machine Shop Services	Provision of additional equipment to improve quality of workmanship and service delivery through prevention of leakage and prevention of mixing of oil with water	MFC Machine Shop/ 106 Duhaylunsod Bldg., R. Castillo St., Agdao, Davao City, District I	990,000	Equipment procured.
4	Capability Upgrading of Fabrication Services of Sidewall Engineering	Provision of equipment that would enhance the quality and products and achieve design of equipment that is at par with the commercially available and imported products	SideWall Eng'g, Bunawan, Davao City, District II	1,950,000	On-going procurement of equipment.
5	Establishment of Cold Chain Facility to Prolong Shelf Life of Fresh Frozen Durian and Reduce Spoilage	Provision of additional equipment to protect the integrity of fresh durian during freezing process and to prolong the shelf-life and quality of fresh frozen durian from harvest until it reaches the final and intended consumer	D' Farmer's Market Bajada Davao City, District II	998,000	On-going fabrication of equipment.

6	Accelerated Fermentation of Pineapple Wines and Vinegar and Quality Improvement of Fruit Juices and Fruit Jams	Provision of equipment to upgrade the fermentation of pineapple wine and vinegar and to improved production processes of pineapple jam. Thus,resulting to a better quality of finished product.	DAVECO Compound, Purok 5, Brgy. Cawayan, Calinan District, Davao City, District III	423,869	On-going procurement of equipment.
7	Facilities Expansion for the Production of Calamansi Concentrate of Tagum Golden Foods	Provision of additional equipment to convert the manual squeezing operations into automated operations as well as improve productivity and quality	Tagum Golden Foods/ Magdum, Tagum City, Davao del Norte, Distric I	222,400	Equipment for delivery.
8	Ice Cream Production	Provision of additional equipment to contribute to the supply of ice cream in Tagum City and its adjacent municipalities as well as improve its production	Magvilla Ice Cream Delight/ Basco Drive, Don Gonzales Avenue, Tagum City, Davao del Norte. District I	470,000	On-going fabrication of equipment.
9	Technology Upgrading in Natural Feeds Processing	Provision of additional equipment to upgrade technology in natural feeds processing plant project	Aces Polytechnic College/ TADECO Road, Brgy, San Francisco, Panabo City, Davao del Norte, District II	960,000	Approved. For realease of funds.
10	Technology Upgrading of Coco Sugar Processing	Provision of equipment to mechanize the company's operation's and improve the production and quality standards	Healthy Sweets/ Bgy. Katipunan, Panabo City, Davao del Norte, District II	994,600	On-going fabrication of equipment.
11	Upgrading of Machining and Engineering Services	Provision of additional equipment to achieve high precision grinding and machining technology	JJ JS Machine Shop, Panabo City, Davao del Norte, District II	400,000	Project funds for release.
12	Technology Upgrading of Candle Making	Provision of equipment to upgrade technology on candle making.	Jabez Marketing/ P-8C Lumangtad Compound, Curvada, Magdum, Tagum City, Davao del Norte, District I	227,360	Release of funds on process
13	Technology Upgrading of Peanut Butter Production	Provision of additional equipment to upgrade and fasten production processes on peanut butter.	Jersey's Peanut Butter Spread/ Block 10, Dreamville Subdivision, Mangga, Visayan Village, Tagum City, Davao del Norte, District I	195,000	Release of funds on process

14	Upgrading of Banana Chips Production Facilities of Safepac Corporation	Provision of additional equipment to improve product quality and increase production capacity	Safepac Corporation, District I, Davao del Sur	540,000	On-going procurement of equipment.
15	Upgrading of Facilities for General Engineering Works of Larikas General Engineering Works	Provision of additional equipment to improve the efficiency of the production process and to provide better services and quality machining and fabrication works at competitive prices	Quezon Avenue, Poblacion, Zone 1, Digos City, District I	700,000	First set of equipment procured. On-going procurement of 2nd set of equipment.
16	Upgrading of Facilities for Wood-based Production of Woodworks Kiln Dried Products of Woodworks Kiln Dried Products	Provision of additional equipment to provide high quality wood products in the market and to diversify and to develop new products	Woodworks Kiln Dried Products/ Estrada 5th St., Digos City, District I	715,000	First set of equipment procured. On-going procurement of 2nd set of equipment.
17	Upgrading of Facilities for Goat's Milk Processing	Provide additional equipment to provide efficient production processes thus, producing quality products to end consumers.	Mindanao Baptist Rural Life Center/ Brgy. Kinuskusan Bansalan/ Mr. Roy C. Alimoane/ District I	457,500	On-going fabrication of equipment.
18	Upgrading of Facilities for Fruit Processing and Barquillos Production	Provision of equipment for the upgrading and improvement of the production process thereby producing better quality products and catering to more customers	Rhoda's Milky Durian/3593 Doña Aurora, 3rd Street Digos City, District I	159,604	On-going fabrication of equipment.
19	Facilities Upgrading for Condiments and Noodle Production	Provision of equipment for to improve production processes and prolong shelf life of fresh noodles and pancit canton from three days to weeks due to vacuum packaging thus, resulting to a more diversified products to domestic market.	Mak James Internation Trading Corporation, National Highway, Astorga, Sta. Cruz, Davao del Sur, District I	860,000	Releasing of funds on process
20	Modernization of Post-harvest Facilities for Rice	Provision of equipment to increase quality of volume milled rice through mechanization of post-harvest facilities	Mr. Aristotle Abella/ KENKO Rice Mill/ Brgy. Poblacion, Cateel, Davao Oriental, District I	1,800,000	Project funds for release.
21	Optimizing Marine Resources Utilization through Commercial Production of High Value Marine Fishes in Cages	Provision of supplies and materials to enhance the production of high value marine fishes in the locality through captured fish culture technology	Aloy Farm and Tilapia Hatchery, Governor Generoso, Davao Oriental, District II	307,150	On-going fabrication of equipment.
22	Establishment of Kiln Dryer and Upgrading of Wood Processing Equipment	Provision of additional equipment for improvement of product quality and efficient production capacity and produce new range of products specifically kiln dried wood pallet board in order to cater the growing demand of the business.	RMB Furniture, Purok 8, Poblacion Nabunturan, Compostela Valley, District I	2,000,000	Project funds for release.

23	Technology Upgrading of Melmarie's Bakeshop through Mechanization of Major Bread Making Processes	Provision of equipment to standardize the production processes of Melmarie's Bakeshop through mechanization that would eventually improve its productivity.	Melmaries Bakeshop/ Market Area, National Highway, Kingking, Pantukan, Compostela, Valley Province, District II	685,184	On-going procurement of equipment.
24	Facilities Upgrading at Crossing Gabi Machine Shop for the Manufacture of Steel Hubs for Motorcycle	Provision of additional equipment the capability to manufacture motorcycle steel hubs and upgrade the capacity to service heavy equipment in the mining industry.	Purok 8, Crossing Gabi, Compostela, Compostela Valley, District I	1,000,000	Releasing of funds on process
25	Upgrading of Metal Working Facilities for Omadle – Jacalan Machine and Welding Shop	Provision of additional equipment to provide quality products and services to its clients and continuously provide employment to its workers.	Omadle-Jacalan Machine and Welding Shop/ Purok 7, Poblacion, Nabunturan, Compostela Valley, District I	2,000,000	Releasing of funds on process
